DISCONTINUATION NOTICE FOR WHITE DOORS AND ENCLOSURES

Dear Valued Customers,

In an effort to streamline our offering as well as better accommodate demand and availability, we are discontinuing white doors and enclosures for all panel models (complete list below).

Why did we do this?

- Consolidate all door enclosure SKUs to two colors (RED and BLACK) which meets the majority of customer demand.
- Helps reduce production and availability timelines.

Discontinued item numbers:
