

 **Mircom**[®]

OPEN GRAPHIC[™]
NAVIGATOR

POWERFUL. FLEXIBLE. SIMPLE.

Open Graphic Navigator is a UL approved centralized building management system that provides real-time local or remote monitoring.

As a powerful integration tool, Open Graphic Navigator is easily customized to communicate a range of system events to different responding authorities or personnel, including fire, security, maintenance and service staff.

Open Graphic Navigator means you're connected 24/7.

**OPEN GRAPHIC
NAVIGATOR™**

EMERGENCY EVENTS AND NOTIFICATIONS

Open Graphic Navigator provides real-time graphical notifications for fire and life safety systems. You see where the problem is, allowing you to respond quickly.

POWERFUL

Designed for the most demanding building standards in the world:

- Airports
- University Campuses
- Hospitals
- Government Buildings
- Commercial & Residential Towers

2D AND 3D VISUALIZATION

Open Graphic Navigator is an unrivaled and unique graphical interface that provides both 2D and 3D representations. It is the perfect solution for large campuses or vertical properties where being able to guide emergency personnel to precise locations is crucial.

ENTERPRISE READY

Open Graphic Navigator has already been proven in complex business environments.

UNIFYING

Pulls together building systems into one powerful visualization:

- Fire
- Access Control
- Mircom's Smart Home Automation
- Emergency Phones

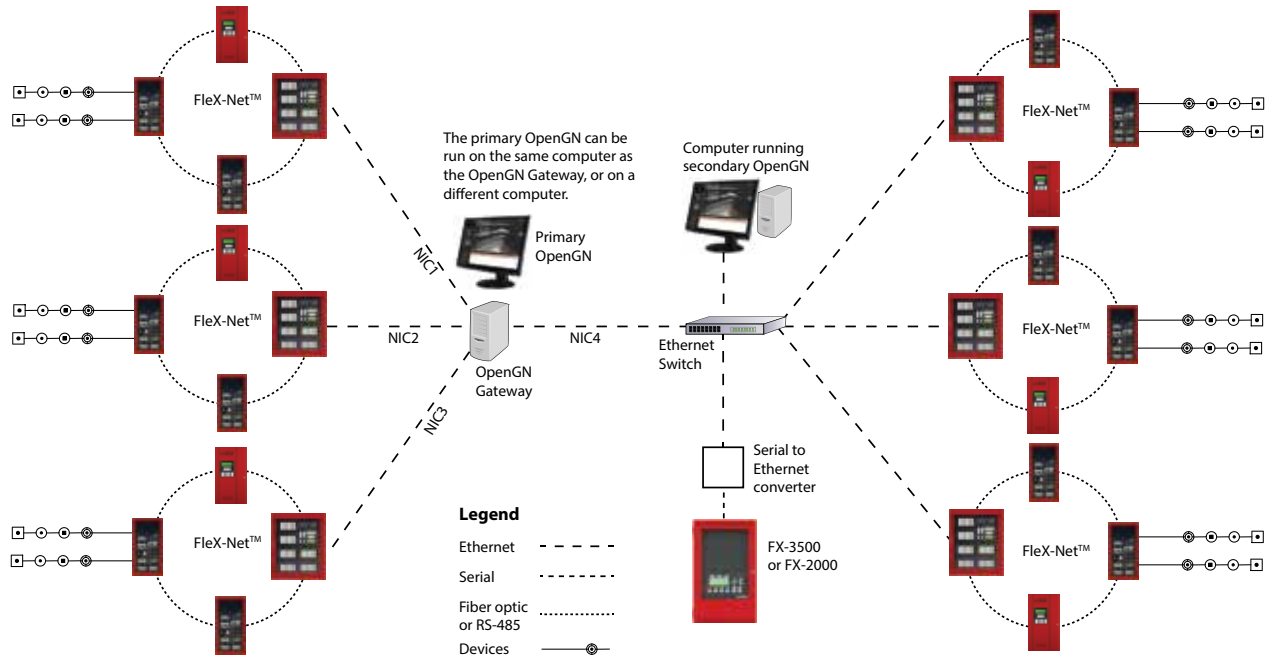

SIMPLE

Helps you quickly react to all events and emergency notifications:

- Choice of 2D & 3D visualizations
- Clean, easy-to-read System Status
- Lists all notifications via Event Log
- Custom event response message
- Configurable monitoring screens

NETWORK DIAGRAM

Mircom makes buildings safer, smarter, and more livable. OpenGN's centralized and integrated graphical interface between operators and monitored buildings allows operators to monitor remote sites from multiple workstations

About Mircom®

Founded in 1991, Mircom is a global designer, manufacturer and distributor of Intelligent Building Solutions. Reaching customers in over 100 countries worldwide, Mircom's portfolio includes: fire detection & alarm, communications & security, mass notification, nurse call, and building automation & smart technologies. Mircom's vision is to make buildings worldwide safer, smarter, and more livable.

Our global network of dedicated Sales and Service Offices, known as Mircom Engineered Systems, allows us to be a full solution provider. Through Mircom ES, we're able to provide and fully service our line-up of innovative and advanced solutions which are scalable to satisfy diverse user demands, from small & mid-size buildings to the world's most complex applications.
