**Dimensions****Description**

The Mircom MWP series are EEMAC 4X rated weather proof remote heads ideal for exterior or wash down areas. A clear polycarbonate cover with an integral gasket seals the luminaire from the elements. One or two fully adjustable PAR18 reflector assemblies can be installed within each housing.

Available with tungsten or quartz lamps up to 20W, these remotes are designed for use with 6, 12 or 24V emergency lighting circuits.

Approvals:
CSA Certified to C22.2 #141

CATALOG NUMBER 4125

NOT TO BE USED FOR INSTALLATION PURPOSES.

Mircom reserves the right to make changes at any time without notice in prices, colours, materials, components, equipment, specifications and models and also to discontinue models.
