Features

- Clean appearance is obtained from a unique locking design of the frame. No obtrusive fastening screws or bulking locks
- Amplifier mounts provided by pre-drilled holes in backbox reduces installation costs
- Backboxes available to enable construction rough-in
- Weather-resistant enclosure provided for indoor or outdoor use
- Vandal Resistant construction consists of a unique locking mechanism for the panels and speaker protection. A 16 AWG sheet of metal covers each speaker providing puncture protection

The N5000 Series entrance panels are custom assembled for apartment buildings of 16 or more suites. The series is compatible with all Mircom intercom systems or equipment and the modularized format permits flexibility in design and application of systems.

Description

Mircom the vanguard of communication systems and second to none, takes great pleasure in presenting its range of communication panels. The styling simplicity of these panels, especially designed to meet the requirements of contemporary building, will enhance the appearance of any apartment vestibule.

In its quest to meet the demands of architect and decorator, Mircom has created a wide selection of panels in various designs that will complement any decor.

Mircom intercom systems are available with one-way Push-Button "Speaker Only Type" or two-way "Telephone Handset Type" communication stations. All systems are prewired with housing and interconnecting wiring available to suit individual specifications.

Building entrance panels are virtually tamper-proof with plexiglass covered nameplates - also featuring a Post Office Lock assembly. (Lock supplied by local Post Office)

Rough-in Backboxes

KB-100 Series Flush Backboxes
Made from satin finished steel, each backbox provide knockouts for electrical conduits and wire connections.

KB-300 Series Surface Backboxes
All the surface backboxes are made from painted black satin coated steel.

Model	Height	Width	Depth
KB-103	17.4"	12.5"	3.75"
KB-104	17.4"	16.5"	3.75"

* Frame exceeds wall opening dimensions by 1.25" all around.
