

# TX3-ATA Installation Guide

## 1. Package contents

- Grandstream HT801 Analog Telephone Adapter (including Ethernet cable and power adapter)
- Telephone Cable
- Telephone Adapter

## 2. Connect the TX3-ATA as shown below

## 3. How to Activate the TX3-ATA

Activate the TX3-ATA on <http://www.miconnect.com>.

If you do not have access to your MiConnect account, call Subscription Services at 866-927-7908 or send an email to [activations@mircomgroup.com](mailto:activations@mircomgroup.com). You will need to provide the following information:

- Building name and address (required by FCC and CTRC)
- TX3-ATA MAC address (printed on the bottom of the HT801 and on the box)
- TX3-ATA serial number (printed on the bottom of the HT801 and on the box)

---

**Notes: Use the TX3-ATA with TX3 voice entry panels only.  
The TX3-ATA cannot call the 9-1-1 emergency number.**

---
