

TX3-ATA Installation Guide

1. Package contents

- Grandstream HT801 Analog Telephone Adapter (including Ethernet cable and power adapter)
- Telephone Cable
- Telephone Adapter

2. Connect the TX3-ATA as shown below

3. How to Activate the TX3-ATA

Activate the TX3-ATA on <https://miconnect.mircom.com/login>.

If you do not have access to your MiConnect account, call Subscription Services at 866-927-7908 or send an email to activations@mircomgroup.com. You will need to provide the following information:

- Building name and address (required by FCC and CTRC)
- TX3-ATA MAC address (printed on the bottom of the HT801 and on the box)
- TX3-ATA serial number (printed on the bottom of the HT801 and on the box)

**Notes: Use the TX3-ATA with voice entry panels only.
The TX3-ATA cannot call the 9-1-1 emergency number.**
