

RETRO-QBB-5001 Installation Instructions

The purpose of this kit is to permit FX-MNS-6000 amplifiers, QMB-6000 card cages, and the QPS-6650 power supply to be mounted in the QBB-5001 enclosure.

1. Contents of the Kit

- 1 replacement door CH-001638
- 1 adapter plate CH-001600
- 8 #8-32 nuts for securing adapter plate to QBB-5001
- 8 #8-32 nuts for securing 2 QMB-6000 to adapter plate
- 3 #8-32 nuts for securing QPS-6650 to adapter plate

2. Installation

1. Mount the QMB-6000 and QPS-6650 onto the adapter plate, then mount the adapter plate into QBB-5001 as shown.
2. Mount the door onto QBB-5001.
