September 21, 2021

## TX3 Touch Voice Entry Flush 22” Model Number Update

Dear valued customer,

Thank you for your business and continued interest in Mircom’s TX3 Voice Entry systems.

This letter is to inform you that there has been a part number update to the following TX3 Touch Series Voice Entry systems.

Previous Model Number	New Model Number	Description
TX3-TOUCH-F22-D	<b>TX3-TOUCH-F22-E</b>	TX3 Touch 22” Flush Mount Voice Entry System

The changes to this new panel (-E) model include the following:

- A new 22” touch screen due to the obsolescence of the previous touch screen
- A new door with brackets for touch screen

There has been no other change to this new Voice Entry system and this change has no effect on software compatibility. Therefore, we ask that you reference the revised ordering code immediately. Mircom is committed to working closely with you to minimize any impact this change may have.

The new (-E) model has been included and the previous (-D) model has been discontinued in our latest Price Book released for 2021-2022.

The replacement part number for the new Touch Screen Replacement is as follows:

Model Number	Description
RPL-SC-420005	Replacement 22 Inch TX3 Touch Screen Only (-E models)

We thank you for your continued support.
